December 14, 1976

Location: Cochran, GA

Victim(s): Teresa Carol Allen 19

Attacker(s): Roosevelt Green Jr., Carzell Moore

Description: Teresa was working as a cashier, when Green lured her to the meat counter so that Moore could enter with a rifle he stole earlier. After robbing the store of \$466, they abducted Teresa. Green then told Teresa, "B\*\*\*\*, take off your clothes." Teresa pleaded with Green not to rape her, telling him she was a virgin. After he raped her, he traded places with Moore and Moore raped her as well. Moore took Teresa out of the car and shot Teresa in the stomach, the bullet passing through her arms as she tried to protect herself. He then shot her in the face in an attempt to disfigure her body and make it harder to identify.
