

HULK 1R BEAM

HULK 1R BEAM is a mini beam moving head comes with YODN lamp, bulb life is 2000 hours, featuring very small size and very fast and quite X/Y movement, weight is 9.5kg only. Its high brightness could be compared to 200Watt lamp due to the high quality optical lens designed by us. Electronic focus and a ring effect of 8 facet prism allow users to gain more nice effect they want. The fixture suits any small place such as club, DJ, Pub and party etc.

Source

Light source: YODN MSD 100R1
